Dear Elizabeth,  
What's their about  
Substance for you & for life?  
But I'm enclosing a couple  
of cheerful photos from  
the Birthday Bash - lots  
of fun - Remy danced & made  
American played Sebastian,  
and so on -  
In one of these photos I  
am spreading the wings of my  
"Story Book" made by my friend in  
Knox - photo & photo in landscape  
with a great sunset & moon.
