 I feel deeply grateful when I receive
 letters from you. I enjoyed the various papers
 but, as a matter of fact, I
 have not as a big bundle of personal
 letters about 3 or 4, interesting and
 because I simply was not able to
 keep up my correspondence in the
 winter.
 I was so glad to hear from you
 to know that 2 years were a fine
 evening.
 I hope you this summer very well
 and very delightful to see that
 truly glad you are coming
